

**Testimony of Nancy Rosenbaum
Before the Environment Committee**

*In Support of S.B. No. 123, AN ACT CONSERVING NATURAL VEGETATION
NEAR WETLANDS AND WATERCOURSES and S.B. 205, AN ACT CONCERNING
ENHANCEMENTS TO INLAND WETLANDS AND WATERCOURSES ACT*

Submitted by Nancy Rosenbaum

March 8, 2010

Dear Committee Members:

I am writing to express my strong support for the proposed bills S.B. 205, An Act Concerning Enhancements to Inland Wetlands and Watercourses Act, and S.B. 123, An Act Concerning Vegetation Near Wetlands and Watercourses. These proposed bills make needed policy changes to protect our watershed lands, so critical for a clean and healthy water supply.

I strongly urge the Committee to vote favorably on S.B. 205 and S.B. 123. These proposed laws will create the kind of environmental outcomes we all desire--better, common-sense protections for the wetlands, streams, rivers and ponds in our state.

Sincerely
Nancy Rosenbaum
